*For the Long & Short of it!*

## Any length for any application.

**Zip Notes™** sticky notes on a roll is the first and only product that allows you to create any length sticky note you want. Simply tear off the exact length you need.

## The only limits are those of your imagination.

There are literally thousands of uses, from traditional notes and lists, to more creative uses like banners, art projects, scrapbook journaling, and more! Why search through piles of pads, when you can have the perfect sheet in seconds...right at your fingertips?

When you compare

# Zip Notes™

Sticky Notes on a Roll

to other leading brands,  
the benefits  
speak for themselves:

- **Repositionable** – Zip Notes™ can move virtually anywhere!
- **Easy to use** – simply tear off the perfect length
- **Cost-effective** – one Zip Notes™ roll is equal to 600 3" x 3" notes
- **Reduces waste** – you use only what you need
- **Compact** – fits almost anywhere and reduces workspace clutter
- **Long-lasting** – unique center adhesive prevents "curling"
- **Flexible** – has many creative uses
- **Fun** – makes an excellent gift! Ask about custom imprint program!

**Zip Notes™**  
Sticky Notes on a Roll

## When it comes to notes, one size does not fit all.

That's the genius of **Zip Notes™**. It allows you to jot down anything, no matter how big or how small, and virtually adhere it anywhere. You'll be able to communicate, organize, and work more efficiently than ever before.

Once you use Zip Notes™, you will never use pads of sticky notes again!

Plus, **Zip Notes™** gives you 150 feet of extra-sticky space. How far will 150 feet take you?

- **1 Zip Notes™ roll** = the length of the Statue of Liberty from the top of her pedestal to the torch
- **2½ Zip Notes™ rolls** = the length of a standard-size football field
- **3¾ Zip Notes™ rolls** = the height of the Washington Monument

Why limit yourself to the standard square sheet, when you can stretch the boundaries of the imagination? Virtually anything is possible with **Zip Notes™**.
